UNIVERSITY PRAYER

Awesome God, we of Harare Institute of Technology here gathered; seek your presence.

We thank you for all the wonders of creation, rich natural Resources and the gift of ingenuity.

Guide us as we innovate around these natural resources, Your gifts to us.

Inspire us as we strive to nurture the spirit of enterprise among our people.

Grant us the wisdom to generate knowledge, develop and commercialize technology

for the benefit of humanity and all creation.

Oh Eternal God, grant us the strength to remain men and women of integrity.

Let knowledge and skills sustain the development of our great nation.

Let innovation bring prosperity to the people of this great nation as You intended.

Teach us skills, grant us expertise, and let us understand Your will.

For it is through Your grace that we excel and not by our intelligence alone.

Cultivate in us the hunger and thirst to excel in all we do,

So that we serve our country with a great sense of humility, commitment and professionalism.

Bestow wisdom on our leaders and continue to bless them as they lead us to deliver our

Mandate.

For Thine is the Kingdom, the Power and the Glory for ever and ever.

AMEN.
