

COMMUNIQUE TO HIT COMMUNITY

The University acknowledges the unprecedented surge in the COVID-19 cases across the country. In the light of this unfortunate development, regrettably, all students are requested to vacate university accommodation by Friday 24 July 2020. All face to face instruction is to stop with immediate effect. Modalities for the sitting of examinations will be communicated in due course.

HIT STAFF

Only key staff will continue to report for duty and the rest will be requested to report as and when required in response to any developments on the ground.

Let us all rally to the national cry to stay safe, wear masks and practising social distance.
