

TECHNOPRENEURSHIP DEVELOPMENT CENTRE

SHORT COURSE

How to write a winning Business plan

Course includes
6 modules +1 bonus
Templates, Worksheets
Reading materials
and videos

Course Synopsis

Participants will get hands-on experience of developing a winning business plan for their business. At the end of the course, participants will have a very clear understanding of the business plan process and what is necessary to obtain funding for it as well as strategic position of the business venture. They will also gain an appreciation and knowledge of all the components of a business plan that will help them to make informed decisions.

Mode of delivery

Participants choose between a 4-week Instructor-led whatsapp method, or a Self-paced online method.

Target Market

Entrepreneurs, Business People, Managers, Consultants and Individuals who are interested in writing a business plan.

*In collaboration
with*
