

As a leader in the publishing industry, Elsevier is excited to share its extensive experience with you in the publishing realm. We invite you to join us in our weekly sessions, where we will cover the most requested topics in research, literature review, and publishing.

These sessions are designed to provide you with valuable insights and practical advice to help you navigate the complexities of academic publishing. Whether you're preparing your manuscript, conducting a literature review, or aiming to maximize the impact of your research, our experts are here to guide you every step of the way.

Thank you for joining us on this journey. We look forward to your active participation and to helping you achieve your publishing goals.

 **15:00 to 15:45**
