20TH HIT
"Designing the Future"
2005-2025

"Twenty years of Designing the Future: Celebrating Commercialisation of Research, Development and Innovation Outputs for Zimbabwe's Modernisation and Industrialisation"

HIT TECHNOVATION EXPO TWENTY 25

Dates: 29 July - 1 August 2025
Venue: HIT Campus, Belvedere

Programme of Events

DAY ONE: 29 JULY 2025

Exhibitions: Research and Innovation Outputs, All Academic Departments 29 July - 1 August 2025

Science, Engineering & Technology Career Fair for Secondary Schools 29 July-1 August 2025

School of Information Science and Technology Conference
Theme: Beyond Limits: Artificial Intelligence, Block chain and IoT, Reshaping Zimbabwe's Future

Sub-themes:
- Responsible AI and Computational Intelligence
- Data Science and Analytics for Development
- IoT Ecosystems for Smart Agriculture and Cities
- Cloud Computing and Edge Technologies
- Cyber Security and Digital Trust
- Information Systems for Social Impact

School of Allied Health Sciences, School of Business & Management Sciences and School of Information Science & Technology Collaboration

International Conference on Combating Non-Communicable Diseases (NCDs) through Artificial Intelligence (AI) & Financial Inclusion (FI)

Theme:
"Embracing Artificial Intelligence (AI) and Financial Inclusion (FI) in the fight against Non-Communicable Diseases (NCDs)in under served communities".

Sub-Themes:
- Leveraging AI for Equitable Health Solutions
- Leveraging Medical Imaging for Equitable Health Solutions
- Integrating Financial Inclusion Strategies
- The Role of Robotics and Medical Engineering
- Data Protection in AI-Driven Health Care Solutions
- Nutritional Approaches and AI in Preventive Health
- Climate-Responsive AI Solutions for NCDs Early Detection
- Partnership Models for Sector Collaboration
- Barriers to NCD Management and Pathway to Inclusive Health Access

School of Engineering and Technology Seminar
Topic: Accelerating Innovation to Advance the Lithium Value Chains – Towards Zimbabwe's 2030 Agenda

DAY TWO: 30 JULY 2025

Cont...
International Conference on Combating Non-Communicable Diseases (NCDs) through Artificial Intelligence (AI) & Financial Inclusion (FI)

School of Information Science and Technology Hackathon
Tamba Dlala: Level Up Africa
Game Development Hackathon

School of Business and Management Sciences - Financial Engineering
2nd edition of the Portfolio Engineering Challenge and Prize Giving Workshop

Centre of Artificial Intelligence
World Youth Skills Day Commemorations Seminar
Topic: "Youth Empowerment through Artificial Intelligence and Digital Skills"

DAY THREE: 31 JULY 2025

OFFICIAL OPENING AND 20TH ANNIVERSARY CELEBRATIONS

DAY FOUR : 1 AUGUST 2025

Vice Chancellor's Scholarship and Fundraising Golf Tournament

School of Industrial Science and Technology Seminar
Theme: "Traditional medicine in the 21st century- a catalyst for improved healthcare in Sub Saharan Africa"

Technology Transfer, Licensing and Commercialisation Centre
Transforming Youth Entreprenuership in Zimbabwe, Through Market Access and Inclusion Project Networking Meeting

Technology Transfer, Licensing and Commercialisation Centre, Technopreneurship Development Centre
Student Start-up Summit
